Phytochemistry Analysis Report on Herbal Product

Product Code	Dosage Form	Date Received	Date Analysed
Cp/011/21	Capsules	1st , April 2021	1st , April 2021

## Technical Information

### (A) Organoleptic Properties

Dosage Form	Powdeyy
Colour (Shell)	shellr er
Clarity	Slightly Cloudy

### (B) Physicochemical Data

Specific Gravity	1.0160
Total Water Extrative	1.0 +/- 4.87 % w/w
Volume of Product	1.0 +/- 0.00 ml

### (C) PhytoChemical Constituents

Saponins, Polyuronides, Flavanoids, Phenolic Compounds.
---

## Remarks

The presence of the above mentioned phytochemical constituents indicates that the product may be planted-based. The pH of the product falls outside the acceptance range of 4.00 - 10.00.e4b
